However, the proactive steps you take to highlight your 3rd House of Communication today, improve your ability to reveal feelings that are not well understood by loved ones.
Unchecked Corruption Earns Us Infamy

By Ambanari

The disclosure part reveals the fact that Afghanistan has been the birthplace of different ideologies. Nationalist war and peasant revolts in the past have been an essential part of the history of the country. However, this country has been unable to emerge from the dark cloud of corruption. The Afghan government has not been able to combat corruption at all levels. The problem of corruption has spread to all departments of the government, including the judiciary, the police, and the armed forces. The government has been unable to establish a transparent system of accountability and transparency. The result is a loss of trust and confidence in the government. The situation is worse than before, and the government must take urgent steps to address the problem of corruption.
4) Afghan government declared in coalition

Government was determined to shorten the distance between the National Unity Gov ernment (NUG) and the Taliban. Although the ministry of Defense, Finance, and Interior called the National Unity Government (NUG) to release the list of names of thousands of people who had been involved in the past war, the Taliban refused to release it. The president pledged to fight to protect the national interest, the government, and the society, and to ensure the peaceful and prosperous future of Afghanistan. The Taliban attacked the presidential palace, killing and injuring several people.

5) The Taliban's enthusiasm in Kandahar

The Taliban fighters in Kandahar have expressed their enthusiasm for joining the government. They have been active in the area and have taken over the provincial capital. The Taliban have been organizing training camps and recruiting new fighters. They have also been targeting the Afghan security forces in the region.

6) UN Security Council - Taliban's latest threats

The UN Security Council has expressed concern about the Taliban's latest threats and has called on the Afghan government to take immediate action to ensure the safety of its citizens. The council has also urged the Taliban to adhere to their commitments towards a political solution and to engage in dialogue with the government. The council has also urged the international community to provide support to the Afghan government in its efforts to stabilize the situation in the country.

7) The Taliban's attacks in Kandahar

The Taliban have launched a series of attacks in Kandahar, targeting the Afghan security forces and civilians. The attacks have been carried out using mortars, rockets, and mines. The Taliban have also been targeting the Afghan police and the Afghan National Army (ANA) in the area.

8) The Taliban's presence in Kunduz

The Taliban have been active in Kunduz, targeting the Afghan security forces and civilians. The attacks have been carried out using mortars, rockets, and mines. The Taliban have also been targeting the Afghan police and the Afghan National Army (ANA) in the area.
**UN Security Council Declines to Back Russia's Yemen Appeal**

**UNITED NATIONS** - The United Nations Security Council rejected Russia's appeal on Friday to end the war in Yemen, according to the Russian Foreign Ministry, which said the council had failed to take a position on the issue.

Secretary-General Ban Ki-moon has warned that fighting could resume at any time.

In other news, Russia has threatened to take military action in Syria, while China and Pakistan have urged for peace. The United States has also warned of the possibility of war in the region.

**EU, NATO Try to Counter Russian Propaganda**

The European Union and NATO are stepping up their efforts to counter Russian propaganda in the region, according to sources.

The EU and NATO have been working closely to counter Russian disinformation campaigns, which have been spreading rapidly in recent months.

The two organizations have been using a variety of tools, including social media monitoring, to track and respond to Russian propaganda.

**Japan PM Touts Economic Synergy with US in Visit**

Japanese Prime Minister Shinzo Abe is on a visit to the United States, where he met with President Donald Trump.

Abe's visit is part of his efforts to strengthen economic ties with the US, which is Japan's largest trading partner.

The two leaders are expected to discuss issues such as trade, investment, and security.

**Kerry Visits Sri Lanka, Pledges Support for New Government**

US Secretary of State John Kerry has arrived in Sri Lanka, where he will meet with Prime Minister Ranil Wickremesinghe.

Kerry is expected to discuss issues such as trade, investment, and security.

The US has been a key supporter of the Sri Lankan government, which has been working to address issues such as terrorism and corruption.

**Some 1,200 Migrants Rescued by Italy in Sea off Libyan Coast**

Italian coast guard rescued about 1,200 migrants off the Libyan coast on Friday, according to the coast guard.

The migrants had been trying to reach Europe, but were intercepted by the coast guard.

The rescue operation was a significant one, given the number of migrants involved.

**Death Toll from US-led Strike Rises to 52 Civilians in Syria**

The death toll from a US-led strike in Syria has risen to 52, according to the Syrian Observatory for Human Rights.

The strike was carried out in retaliation for a recent attack by Daesh.

The observatory said the strike had hit a civilian site in the Deir Ezzor province, killing many civilians.

**Pakistan Sends More Relief Assistance to Quake-Hit Nepal**

Pakistan has sent an additional relief aid to Nepal following the recent earthquake.

The aid, which includes food, medical supplies, and shelter materials, will help the affected areas recover from the disaster.

The quake caused widespread destruction, killing thousands and leaving many more homeless.
SAYYAF AGAINST MUJAHIDEEN'S SYMBOLIC ROLE IN GOVT.

KARUL - Former Haq leader Abdul Rahim Naseer Syaidi said on Saturday that he was against putting a symbolic role in the government and wanted their say and strong presence in the system.

Speaking at a gathering marking the 22nd Mujahideen's Victory Day at the Presidential Palace, Syaidi said the mujahideen with their bravery and victory had helped the nation's dignity and independence.

Calling the [Mover on P4]... 

AFTIPI PROGRAMME TO BE LAUNCHED SOON: DANESH

KARUL - Second Vice President Sayed Abdul Hadi in Davos, Switzerland, meeting with members of a holy council of world leaders and decision-makers, has the responsibility to launch an anti-terror programme to check terror in the province.

He said that the government had recently taken the support of Jamia Islamia University on torturing detentionees by judiciary, adding that the government is committed to taking measures to improve the facilities in the jail.

AFTIPI has in the past provided support to various projects, where it has, for example, ensured that teachers were paid on time.

PAKISTAN-GIFTED PEACE WON'T BRING STABILITY

FARHANKA CASE POSTPONED TO SUNDAY, OFFICIALS TO APPEAR

KARUL - Majlisedan ordered Kabul Police Chief Abdul Subhan Rabiei and Attorney General's Office to attend a public meeting on Sunday.

Saturday was the first court appearance which was open to the public, including 19 police officers. "These security officials must attend tomorrow about 0930 to 1200 to report for further queries."

Rabiei said in addition he ordered the police and the Attorney General's Office to arrest the head of the intelligence section of the second district police station for negligence over the incident involving the clash. Most of the 499 suspects are being supervised by Mr. President's murder, while a number of them said they had been harassed. Others have been pressed by police officials.

But the Attorney General's Office has provided the court with video footage of the incident which shows that most of the suspects were involved in the incident.

Some of the suspects did the blame squarely on the commission and first appearance, adding that they had been told that they would be attacked. But today's hearing was the first case in which a senior police official appeared to address the court.

The police said all 200 men have been killed in the attack, with 30 of them killed in Kunduz, 60 killed in Panjshir, 40 killed in Jalalabad, 40 killed in Nangarhar, 30 killed in Kunar, and 40 killed in Ghazni.

Today, 4 insurgents were killed in Kunduz including their commander Shafiq Anjor. Another three insurgents were killed in All Abad districts.

The KUNZD CITY - Pocket of fighting continues in Kunduz province despite a large Afghan military offensive in the region and local officials.

Residents said over 200 inmates have been killed in the prison, with 30 of them killed in Kunduz City. This is in addition to the 20 security forces and several others who were killed in the clashes. An additional 50 security forces members have also been injured, said Provincial Governor 

MOHAMMED OMAR SHEKH. Today, 4 insurgents were killed in Kunduz including their commander Shafiq Anjor. Another three insurgents were killed in All Abad districts.

The representative of the National Educational, Scientific and Cultural Organization (UNESCO), Pasteur Fouani, meeting with Abdurahman Ahmadi, minister of Information and Culture expressed concern over the grave's uncontrolled cultural heritage particularly the Minarets of Jam in Ghazni and was forced to reconvene a number of them to discuss the issue. 

Pastef Fouani said a number of historical monuments in Ghazi and Langer provinces needed to be better protected and the Minarets of Jam was in top priority of the organization. Previously, reports indicated that there was no cooperation with UNESCO.

KARUL - The Taliban claimed that they had released 28 policemen after holding them in a daring gun battle with the government's forces have been released. 

Taliban spokesman said the policemen were released after being held by the Taliban for some time.
