**EERC Delivers Final Recommendation to Govt.**

KARAL - Special Electoral Reforms Commission (EERC) ended its mission on Monday after submitting its last recommendations to the Afghan government. “Elections is a national and legal process which determines the fate of the people. We have collected a number of recommendations by discussing and consulting with a number of people and personalities to provide an effective short-term and long-term solution to the Afghan government’s electoral system,” Shaib Salati Alid, Chief of the EERC Commission said. Alid emphasized that today’s visit to the Khaul government’s responsibility to take practical action on the recommendations made by the commission in the electoral system.

**Abdullah to Meet with Security Officials over Helmand Crisis**

KARAL - CEO Abdullah Abdullah said he will meet with security ministers on Monday in order to take immediate actions in Helmand.

“He will be in contact with the government’s forces to make changes in the security situation and increase security especially in the Kandahar district that has been under attack by the Taliban.”

Abdullah also added that while in Chir, last week, he held a meeting on the security situation with the Russian Prime Minister. He said that the government will continue to assist with the Russian government in this campaign.

Several officials have told that the Taliban has been missing in the area and has been under attack by the government forces. She said that the meeting was held at the presidential palace in Kabul.

**AWCC in Agreement: Gain Selling License of Apple Mobiles**

KARAL - Afghanistan Wireless Communication Company (AWCC) has signed a memorandum with Apple company for the sale of its mobile phones in Afghanistan.

AWCC was selected by Apple company, and the reason was that AWCC is the first communication company in Afghanistan to open coverage in a country and in standard services with Apple company, said Namin Ramin, Chairman of AWCC.

Several officials have told that the Taliban has been missing in the area and has been under attack by the government forces. She said that the meeting was held at the presidential palace in Kabul.

**UNAMA Chief Reports of Increased Security Incidents**

KARAL - Nicholas Haysom, the Special Representative of the Secretary-General for Afghanistan, on Monday delivered his bi-annual report to the United Nations Security Council and said security developments continued to show diverse progress. He said that security incidents across the month had a major impact on citizens. In addition, the situation of security across the north-south and major urban areas of Afghanistan.

Haysom noted that in September, the Taliban launched an additional 30 district attacks across the country and south (Helmand and Kandahar) and Afghan National Security Forces were able to regain control of Kandahar city as well as 13 district centres by the end of October.

Haysom said that between 1 August and 31 October, 658 security-related incidents involving civilians were recorded by the UN, and said this represented an 18 percent increase against the same period last year when 556 incidents were recorded. He added that in addition to capturing Kandahar city, the Taliban seized an additional 30 district centres—mostly in the north but also in the west (Farah) and south (Helmand and Kandahar)."Afghan National Security Forces were able to regain control of Kandahar city as well as 13 district centres by the end of October," he added.

But Haysom noted that in Pakistan, 930 skirmishes against the Islamic State and Taliban forces occurred including Buzan, Iraq, among the militant groups (Reuters).
NDS Folks Attack Indian Censor
KARUL - The National Director of Security (NDS) said troops arrested a suicide bomber who had been plotting to attack Parliament.

The NDS detained the man at dawn on Monday, along with a vehicle containing a cache.

The arrest comes as tensions rise between Pakistan and India over a disputed region.

The NDS said the man had been planning to carry out a suicide attack on Parliament.

Meanwhile, the Indian government has also stepped up security in response to the threat.

Mongolian Soldiers Who Served in Afghanistan Back to Ulaanbaatar
KARUL - The 2nd shift of 1500 Mongolian soldiers serving in Afghanistan as a part of the NATO-led International Security Assistance Force (ISAF) has returned to Ulaanbaatar.

The soldiers left for Afghanistan in October this year to provide security in the capital of Kabul.

The return is part of a broader plan to withdraw troops from Afghanistan.

Reason Behind Nangarhar Tragedy That Claimed Eight Lives Was “Inheritance”
KARUL - The reason behind the Nangarhar district of eastern Afghanistan’s deadly 10-day-old conflict is “inheritance”.

A local official said that the conflict began over a land dispute and involved a feud between two families.

The conflict has caused several deaths and injuries, and has sparked fears of further violence.

American Woman Shot Dead in Kabul
KARUL - An American woman was shot dead in her Kabul apartment building on Monday morning, according to a police report.

The incident occurred in the city’s diplomatic area, where several embassies and international organizations have their headquarters.

Shams Inaugurates MCGP in Kandahar
KARUL - Kandahar Governor Shams Daud Kharsh, in cooperation with the Ministry of Rural Rehabilitation and Development (RRD) and the Ministry of Interior (MoI), has inaugurated a new project in Kandahar province.

The project aims to improve the living standards of the local population by providing them with basic services such as water, electricity, and education.

German Arrests Over Trespass to Terror Group in Afghanistan
BREMEN - German police have arrested a man suspected of belonging to a terror group in Afghanistan.

The man, who was wanted by the German authorities, was stopped at the German-Afghan border.

Police said they had evidence that he had been in contact with a terror group in Afghanistan.

Outlook Horizon

Agrarian (Mar 22-Apr 19)

Failing a real option today as you need to explain your intentions to others as convincingly as possible. You need to get the maximum possible amount of cash help while convincing others of the merit of your project. Nothing new here, but if you are not careful, House of Relationships is easier than you realize to integrate.

Tourism (Apr 20-May 19)

Although you tend to be more methodical in your methods this month, it’s possible to overlook an important detail or two. Be sure to double-check your arrangements before you’re ready to step out on your own. Failing this determination could prevent you from hearing the sound advice of someone else.

Gemini (May 20-June 21)

You may be seeking to cultivate relationships that are not as direct as those that are different from yours. It’s not neces- sarily bad to have someone else’s point of view. However, you could get yourself into trouble if you try to impose your position, but there’s nothing to be gained by being patronizing or patronizingly throw off non-total at once.

Scorpio (Oct 23-Nov 21)

It’s an emotionally challenging situation at home, but the stage may be set for an experience that will help you feel more secure. You should enable a lot of care and support while conversing with your partner. You may have to face some issues that require you to feel closer to them.

Virgo (Aug 22-Sep 21)

You can be convinced that your heart is more on the line than your mind, but you need to take a deep breath and think through what it is that you want to relay to the romance and business depart- ments. If more complicated questions than others don’t share your same long-term goals.

Libra (Sep 22-Oct 21)

You are riding close to the edge, but if you can’t see full light of your expectations. Even if you are experiencing disappointment in the moment.

Sagittarius (Nov 22-Dec 21)

It’s not only to impede tap dance or tap dance, but it might completely change the benefits you can derive from the concert. You might be conscious of that direction of strength is lead- ing, but your eyes are focused on the way to see toward the pot to plate. It’s your best interest to transform the flow and provide for potential.

Aquarius (Jan 20-Feb 19)

It appears you will have a better time overall, but it is very important for you to be aware of your surroundings. Even if you can be away for others’ something to keep the projects in his brain.

Places (Feb 19-Mar 19)

A series of irritating issues may come to a head this week. A solution finally runs out. It might feel as if you have been ignoring a problem to a resolution trying something new as bad as your plans, as well as thoughts about something above and beyond in your current environment. Rolling no will, could quickly go against your.

Venus (Jun 22-Jul 22)

You’re not in the mood to feel foolishly today, since you’re committed to your own success. You’re not so likely to be stepped on. Although contemplating your own potential, you’re rather versatile. If you’re ready to step in and rescue the present.

Taurus (Apr 20-May 20)

Although you tend to be more methodical in your methods this month, it’s possible to overlook an important detail or two. Be sure to double-check your arrangements before you’re ready to step out on your own. Failing this determination could prevent you from hearing the sound advice of someone else.

The Real Responsibilities of Politicians

Though the evolution of human society has enabled them to devise some breathtaking achievements, but they have not been able to achieve one of the most important aspect - they have not been able to develop a better society to live for. They have not been able to achieve order and true prosperity in their social lives. More than it can be said that the human designs generated by themselves superior minds have achieved chaos and disorder, on the contrary, the understanding to note that human systems and ideologics have not prevailed the superior nature of human beings. As political and ideologic thought have not been able to prevail in most parts of the world that is dominated by human beings. Naturally, our country is one of the parts that have been highly influenced by disorder.

It is important to see: the nature of the disorder that has dominated and divided the world. The social and politicians are entirely responsible for the current disorder and chaos that is not only seen in their society, but also in our own society.

If we analyze Afghan society, we can see that there are many problems that we should face and deal with. The politicians and issues with which we are faced are no less than any other. Their attitude and behaviour have made the people of the thế país to fall into immorality and poverty. Does the society and politicians intend to implement any measures to improve the situation?

Netherlands' Senate Approves Bill on "Leader of Nation"

SMHANEME - The Senate of the Netherlands has approved a bill on "Leader of Nation" on Dec. 28. The bill, which was introduced by the Labor Party and supported by the Christian Democratic Union (CDU) and the People's Party for Freedom and Democracy (VVD), aims to establish the position of a "Leader of Nation" in the Netherlands. The bill will now move to the House of Representatives for further discussion and approval.

China's New Draft Law Redefines Term "Terrorism"

BEIJING - China has released a new draft law that redefines the term "terrorism". The draft law, which was submitted to the National People's Congress (NPC) Standing Committee on Dec. 13, is expected to be presented at the NPC session in March 2023. The new definition of terrorism is based on international law and practices, and aims to prevent and combat terrorism effectively.

Majority of French Not Confident of Govt's Growth Plans: Poll

PARI - The majority of French people do not believe in their government's growth plans. According to a survey released on Monday, 62% of respondents believe that the government's economic policies will not lead to economic growth. This sentiment is shared across all regions of France, with the exception of the Paris region. The survey also found that younger people are more likely to express skepticism about the government's plans.

Swedish Railway Stops Denmark

The Swedish railway service between the capital, Stockholm, and the Baltic port city of Malmo, has been halted due to a strike. The strike was called by the trade union for railway workers, who are demanding better conditions and higher pay. The railway service has been suspended until further notice.

U.S. Glosserd on Oman's Human Rights Record

WASHINGTON (MSC) - "The United States is concerned about the human rights situation in Oman," said a senior State Department official at a briefing on Monday. The official cited reports of crackdowns on political activists and journalists, as well as restrictions on freedom of speech and assembly. The official also noted that Oman has not yet ratified the International Covenant on Civil and Political Rights.

S.Korea Names New Deputy Prime Minister for Economic Social Affairs

SEOUL - South Korea has appointed Kim Jae-won as the new deputy prime minister for economic and social affairs. Kim is a career diplomat with extensive experience in foreign policy, and is well-versed in the country's economic challenges.

Spanish Elections: Popular Unanimously Unknown as Tough Competitor

MAJORCA - Spain's elections on Sunday were seen as a referendum on the government's policies. The Socialists, led by Pedro Sánchez, lost their parliamentary majority, and the center-right Vox party emerged as the largest party. However, the election results were also interpreted as a sign of public dissatisfaction with the government's handling of the pandemic and economic issues.

U.S. Allies Conductor 12 Strikes in Iraq, Syria: U.S. Military

WASHINGTON - The United States and its allies conducted 12 strikes against Islamic State in Iraq and Syria on Saturday, according to the U.S. military. The raids targeted Islamic State fighters in Syria and Iraq. The strikes were carried out by the U.S. Central Command, which is responsible for military operations in the Middle East.

Russia Hosts Meetings of Six-Soviet States

MOSCOW - President Vladimir Putin is meeting with leaders of five other former Soviet republics, as part of a Moscow-hosted security conference. The talks come amid tensions between Russia and the West over the situation in Ukraine. The leaders are expected to discuss security issues and ways to strengthen cooperation in the region.

Black Box from Warplane Downed by Turkey Found Unusable

MOSCOW - Investigators found that the black box from a warplane that crashed near Turkey on Monday had been destroyed by impact. The black box was not usable, with all data lost, due to the warplane's impact. The warplane was downed by Turkish forces, and the incident is under investigation.

Prince of Wales Visits Tunisia

LONDON - Prince Charles, the Prince of Wales, visited Tunisia on Monday, as part of a three-day tour of the region. During his visit, the Prince met with Tunisian officials and toured cultural sites, including the famous medina of Tunis.

New Zealand's Prime Minister Visits Oman

MUSCAT - New Zealand's Prime Minister, Jacinda Ardern, arrived in Oman on a three-day official visit. During her visit, Ardern is expected to meet with Omani officials and discuss bilateral relations. The visit comes at a time of increasing interest in the region, as New Zealand seeks to expand its trade and diplomatic ties with Oman.
AWCC, the Apple Certified Network in Afghanistan

AWCC, based on the agreement with Apple Company, got the official license of distribution of the Apple iPhone in Afghanistan. The Afghan Wireless Communication Company, the nation’s first mobile communications company, and a leading provider of high-quality wireless mobile communication services and fastest internet, signed an agreement with the world’s biggest company Apple; based on this agreement, the Afghan Wireless Communication Company is the First and Only Apple Certified Network and Authorized Apple Product Retailer in Afghanistan. The Apple is a multinational American Company which is known for its latest hardware products and best designs. Launched in 1971 by Steve Jobs and Steve Wozniak, and since then, this company is active in the production of Hardware and Software. Among hardware products of this company, we can name iPod, iMac, MacBook and iPhone; and for the aforesaid hardware, this company as well produces the required software. According to the agreement, the people of Afghanistan can buy the Apple products from the AWCC's brand shops, including iPhone 6s and iPhone 6s+ considering the special privileges and with full confidence, hereinafter.

The Afghan Wireless Communication Company, as an authorized retailer of Apple, in addition to sell the iPhone sets will also provide additional services such as warranty and after sell services to the customers, and these feature will differentiate AWCC from unauthorized retailers. There were many other companies and commercial entities wanted to get the license of Apple as an authorized retailer of this company in Afghanistan, but Apple preferred AWCC based on its abilities and remarkable initiatives in the telecom sector after conducting and accurate evaluation. The Afghan Wireless Communication Company has always been tried to bring the latest technologies to the market of Afghanistan, so that the people of Afghanistan can utilize the best and qualitative services in light of such technologies, among them we can name 3.75G speediest internet services, Super Wi-Fi services, and HD Voice.

About Afghan Wireless:
The Afghan Wireless Communication Company (AWCC) (www.ghan-wireless.com) is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market. It was launched in 2002 by Mr. Ehsan Bayat, Chairman of The Bayat Group (www.bayat-group.com). AWCC provides 2.5G, 3G and High-Speed 3.75G Voice, Data, Internet and Mobile Banking Services to more than four million Business and Consumer Clients, located in all of Afghanistan's thirty-four provinces. The Company has global partnerships with 425 wireless carrier networks in 125 countries.
Activists Warn Against Politics in the Name of Islam

Iraqis 'ready for talks' with Sunni Arabs for the good of the region and to ensure stability in the country. However, the US and Western allies have long accused Baathists of supporting Saddam Hussein, an accusation that has also been made against the Iraqi government.

An Afghan lawmaker has blamed the government for the deaths of 11 people in an armed clash in the country. The lawmaker said that the government should be held responsible for the deaths of the civilians, who were killed in the recent fighting in the country.
